Registration and scholarships

Access conditions

The first year of a degree is accessible by right to candidates holding a bachelor's degree or an equivalent diploma recognized by the university (capacity in law, DAEU ...). All applications including a reorientation must be made on the Parcoursup platform
It is also accessible to foreign applicants domiciled outside the EU (prior application procedure).
The second year and the third year are accessible by right to the students holding 60 or 120 credits obtained in this same curriculum or on file via a validation of studies according to the conditions determined by the university or the training.
Public Continuing education : You are in charge of continuing education :

- if you resume your studies after 2 years of interruption of studies
- or if you followed a formation under the regime formation continues one of the 2 preceding years
- or if you are an employee, job seeker, self-employed.

If you do not have the diploma required to integrate the training (identical to that indicated for the public for initial training), you can undertake a process of validation of personal and professional achievements (VAPP).
For more information, visit the website of the Continuing Education and Learning Branch.
