### Presentation

---

**"Live and breathe French in the heart of the Alps"** - that's what the CUEF offers you by giving you the opportunity to link language training with cultural and tourism discoveries adapted to your desires and interests. You can make the most of a diverse range of activities to explore the Alps and their region in all their diversity.

The campus' location, a few minutes from Grenoble city centre, close to the Vercors and Chamrousse ski areas, with quick access to the Oisans major resorts, will enable you to make full use of the mountain in both summer and winter. Thanks to our themed training courses, you can also make the most of your language stay by trying local food and cooking... in French!

Finally, to discover the French way of life and improve your speaking skills through daily practice, you can choose, amongst various accommodation options, to be hosted by a family during your stay in France.

A certification is provided at the end of the sessions. For all information, contact the CUEF reception with the link on your right.
