Registration and scholarships

The third year is accessible by right to the students holding 60 or 120 credits obtained in this same curriculum or on file via a validation of studies according to the conditions determined by the university or the training.

Public Continuing education : You are in charge of continuing education:

- if you resume your studies after 2 years of interruption of studies,
- or if you followed a formation under the regime formation continues one of the 2 preceding years
- or if you are an employee, job seeker, self-employed.

If you do not have the diploma required to integrate the training (identical to that indicated for the public for initial training), [you can undertake a process of validation of personal and professional achievements \(VAPP\)](#).

For more information, [visit the website of the Continuing Education and Learning Branch](#).

Would you like to apply and register for this training ? Go to the UGA website, section Apply and register.

Dates of applications : April 3 to May 5, 2019
