Registration and scholarships

Second year master's degree: to be eligible to apply you should have completed, or be enrolled in a first year of a Master programme in Science, and totalize 60 ECTS.

Public continuing education : You are in charge of continuing education:

- if you resume your studies after 2 years of interruption of studies,
- or if you followed training under the continuous training regime one of the previous 2 years
- or if you are an employee, job seeker, self-employed.

If you do not have the diploma required to integrate the training, you can undertake a [validation of personal and professional achievements \(VAPP\)](#).

Would you like to apply and register?

Be aware that the procedure differs depending on the diploma, the degree obtained, or the place of residence for foreign students.

Let us guide you simply by following this [link](#)
