

## Master in Geography, regional planning, environment, development

# Management of building construction (MOBat)

### Presentation

---

To view the presentation of the Management of Building Construction (MOBat) program in French click on the following link : [Parcours Maîtrise d'Ouvrage du Bâti \(MOBat\)](#)

### Registration and scholarships

---

The 1st year is accessible to persons having validated a national diploma conferring a Bachelor's degree in a field which is compatible with that of the Master's or through accreditation of studies or experience.

Entrance to the 2nd year may be selective. It is accessible on application to applicants holding a first-year master's degree in the field.

Public continuing education : You are in charge of continuing education :

- if you resume your studies after 2 years of interruption of studies
- or if you followed training under the continuous training regime one of the previous 2 years
- or if you are an employee, job seeker, self-employed

If you do not have the diploma required to integrate the training, you can undertake [a validation of personal and professional achievements \(VAPP\)](#)

Would you like to apply and register?

Be aware that the procedure differs depending on the diploma, the degree obtained, or the place of residence for foreign students. Let us guide you simply by following this [link](#)
