

Master in Industrial engineering

Industrial engineering portal 1st year

Presentation

To view the presentation of the Industrial engineering portal 1st year program in French click on the following link : [Portail Génie industriel 1re année](#)

Registration and scholarships

To be accepted for a master 1st year, you must hold a bachelor degree (licence 3rd year) or equivalent. Your previous studies must be compatible with the master you wish to study. The recruitment and registration conditions are stated for each speciality. For the three programmes in French, the choice of programme is made after admission to the master in Industrial Engineering.
