Presentation

Description

This class's main aim is preparing for the DALF C1 that students must have validated (or, at least sat) during the term.

From the analysis of written texts, we will work on expressing opinions and constructing an argument in written and spoken language.

This class also aims to provide language improvement elements. From the sentence to the text, the activities will be on the formation of a paragraph, the coherence of the text, enriching vocabulary and the quality and accuracy of expression.

Finally, this class will also prepare students in the specific technique of the summary required for the DALF C1.
