## Présentation

### Description

MANDATORY for international students.Course objective

This course will allow them to put into practise what they learn 'french as a Foreign Language'. It will also enable them to learn more about the region they live in.

Course content

In groups, they will have to organise a guided visit of a nearby city, or organize a trip to a local museum. They will be in charge of guiding the other students during the outing.

**Période :** Semestre 3
