

Master in Biology

Biology and marketing techniques (BioTechCo)

Presentation

To view the presentation of the Biology and marketing techniques (BioTechCo) program in French click on the following link : [Parcours Biologie et Techniques de Commercialisation \(BioTechCo\)](#)

Registration and scholarships

Second year master's degree : To be eligible to apply you should have completed, or be enrolled in a first year of a master program in Science, and totalize 60 ETCS. An interview will be proposed to the applicants to the first and second year of the master's degree in Biology in order to test their motivation.

Public continuing education : You are in charge of continuing education :

- if you resume your studies after 2 years of interruption of studies
- or if you followed training under the continuous training regime one of the previous 2 years
- or if you are an employee, job seeker, self-employed. If you do not have the diploma required to integrate the training, you can undertake a [validation of personal and professional achievements \(VAPP\)](#)

Do you want to apply and sign up for a course ? Please be aware that the procedure differs depending on the diploma you want to take, the diploma you have already obtained and, for foreign students, your place of residence. Let us be your guide – simply follow this [link](#)
