## Presentation

To view the presentation of the Development and planning engineering for territories in transition program in French click on the following link [here](#)

**International education :** Double degrees, joint degrees, Erasmus Mundus

## Admission

### Access conditions

The selection is done by a commission on the base of candidates' CV and an interview that has the objective to check whether they have acquired the language and/or urban planning skills required for direct admission to the master.

**Public continuing education :** You are in charge of continuing education :

- if you resume your studies after 2 years of interruption of studies
  - or if you followed training under the continuous training regime one of the previous 2 years
  - or if you are an employee, job seeker, self-employed
- If you do not have the diploma required to integrate the training, you can undertake [a validation of personal and professional achievements \(VAPP\)](#)

## Candidature / Application

You wish to apply for one of our training courses, please consult the admission procedures according to your profile:

- Applicants from outside the European Union whose country of residence falls under the "Studies in France" system must apply on the "Etudes en France" application only
- For all other candidates, you must apply on the e-candidate application. The schedule of candidacy campaigns is available on the website of the [Institute of Urbanism and Alpine Geography](#)
