

SCIENCES, TECHNOLOGIES AND HEALTH

# Science and management of biotechnologies : biopharmaceuticals 2nd year

Master in Health engineering

Target level  
Baccalaureate  
+5

ECTS  
60 credits

Duration  
1 year

Component  
UFR Pharmacie

Language(s) of  
instruction  
French, English

## Presentation

To view the presentation of the Science and management of biotechnologies: biopharmaceuticals 2nd year program in French click on the following link : [🔗 Parcours Sciences et management des biotechnologies : médicaments biotechnologiques 2e année](#)

**Identifiant ROME** : Management and engineering studies, industrial research and development

**International education** : Internationally-oriented programmes

## Admission

### Access conditions

**The master of Health Engineering is open in initial training and continuing education.** The 2nd year is accessible on file (and / or interview) to the candidates having validated the 1st year of master of a compatible course or else by a validation of studies or acquired according to the conditions determined by the university or training

Public continuing education : You are in charge of continuing education :

- if you resume your studies after 2 years of interruption of studies
- or if you followed training under the continuous training regime one of the previous 2 years
- or if you are an employee, job seeker, self-employed. If you do not have the diploma required to integrate the training, you can undertake a validation of personal and professional achievements (VAPP)

## Candidature / Application

Do you want to apply and register for a course at the University of Grenoble Alpes? How to apply depends on your profile and your country of residence

You are a student of French nationality, or you reside in the EU, or you reside in a country not covered by the Studies in France procedure (see below), you must apply via the ecandidat application on the dates below :

- For the 1st year of the master in Health engineering: entry of online applications between 18/03 and 06/05. Interviews for those pre-selected in early June
- For the 2nd year of the master in Health engineering - whatever your mention and your course of 1st year : entry of online applications between 10/02 and 14/06

You live in one of the countries below. You are therefore subject to the Studies in France procedure: online applications are entered on the Campus France site. The dates for applications are specified on this site. The "Studies in France" procedure only concerns students residing in one

of the following 41 countries : Algeria, Argentina, Benin, Brazil, Burkina Faso, Burundi, Cameroon, Chile, China, Colombia, Comoros, Congo Brazzaville, South Korea, Ivory Coast, Djibouti, Egypt, United States, Gabon, Guinea, India, Indonesia, Iran, Japan, Kuwait, Lebanon, Madagascar, Mali, Morocco, Mauritius, Mauritania, Mexico, Peru, Democratic Republic of Congo, Russia, Senegal, Singapore, Taiwan, Togo, Tunisia, Turkey and Vietnam.
